An impression is a image or a feeling retained as a consequence of experience. Pertaining to, affecting, including or participated in by all members of a class or group. Not restricted to one class or field, not limited to any detail. A vague notion that makes you remember. The effect of a mark or a imprint made by ones mind.

It is easy to get an impression.....but hard to make one last.....

We at Douglas MacArthur give impressions as well as make impressions, but they are always good and they will always last!

These Golden Years

October 7, 1983, Homecoming, a special event for everyone who chose to participate. Julie Wineman was crowned Homecoming Queen, while Felicia Jackson was voted 1st Attendant and Sandy Dorward was 2nd Attendant. Other members of the court included: Karen Digenova, Linda Gay, Becky Leak, and Gloria Therrien.

Homecoming Week was also Spirit Week and some fun events occurred, such as: College Sweatshirt Day and Dress like Parents Day.

Homecoming also brought about changes because the dance was moved from Saturday night to Friday night. Students were faced with the decision as to whether to go to the game dressed up or to stay home and get ready for the dance.

Many students left the football game at half-time because of this. Whatever the decision, the students had an excellent time jamming to the music of Back Talk at the dance.

At the Homecoming game, DM had an exciting victory over Mt. Pleasant, 22-18!! During half-time the pom-pon squad put on a special routine and the marching band played and marched to several songs. In addition to all that, there was a parade of all the class floats which the seniors won! Julie Wineman was crowned by DMHS's previous Homecoming Queen, Bonnie Gleffe, in another half-time activity. Homecoming 1983, "These Golden Years," will lie deeply in our memories for years to come.

SPIRITED IMPRESSIONS

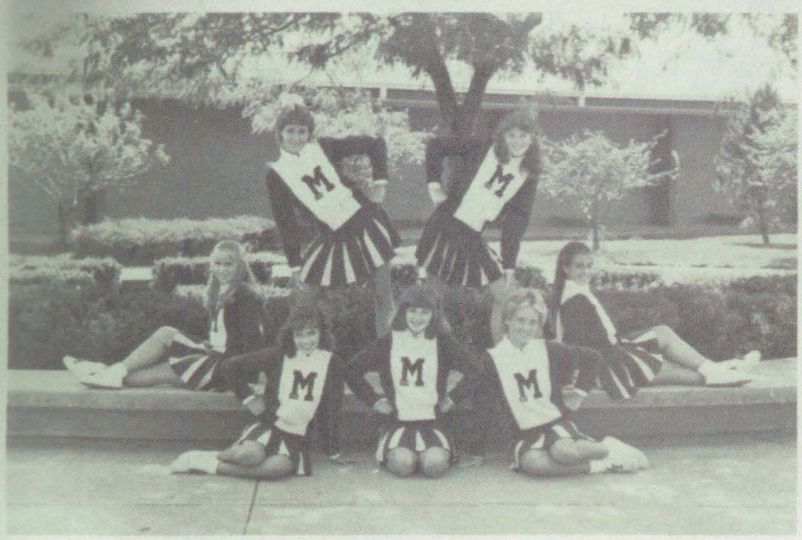
(Bottom) The Varsity Cheerleaders charm the crowd with their high voltage spirit at a basketball game.



The major goal of our 1983-84 Cheerleading Squads last year was to build school spirit, and that's exactly what they did! All three squads worked together with hopes of making last year at MacArthur the best!

"I think this year all the squads did very well. The freshmen girls started out strong and got better. The junior varsity squad improved greatly. It was thier first year together and I feel they did an excellent job. The varsity squad also improved this year. Our friendship was the best part," said varsity captain Amy Guimond.

The most memorable and exciting part of the girls' season was this year's Cheerleading Competition at CMU. They also attended a Dynamic Cheerleading Association competition, where JV took 6th place.

The graduating seniors from this year's varsity squad are Amy Guimond, Becky Karkut, Margo MacArthur, and Cindi Zolinski.

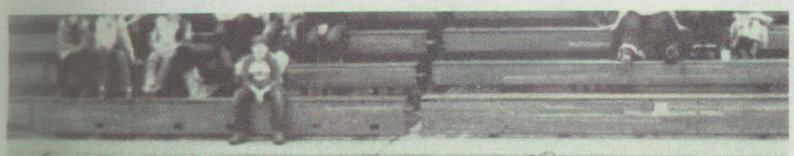
GRACEFUL IMPRESSIONS



The talented girls in the varsity and junior varsity pom pon squads had a busy and exciting year. Besides performing at half time during football and basketball games, both squads performed excellently at Regionals and State. At Regionals, which were held at SVSC, the varsity squad placed first and the J.V. squad grapsed a second place standing. At the State Competition, held in Dearborn Heights, both squads again performed up to par, with the varsity squad taking fourth place and the J.V. squad capturing second.

The twelve members of the varsity squad, led by captain Linda Gay and co-captain Kelly Schadel, performed their routines to such songs as "Hot Girls in Love," "Goodbye To You," and "Far From Over." The J.V. pom pon squad performed songs of "Jump", "Cum on Feel the Noize" and "My Town." Their captain was Jenny Zolinski, aided by co-captain Julie Turner.

The coach of both squads, Kathy Cawley, was pleased with the performance of the girls. "I was very fortunate to have a talented group of people to work with. Their enthusiasm helped get us over the rough spots. Varsity worked to perform at their usual best and were a great asset by helping J.V.! J.V. made continual and impressive improvement throughout their season!

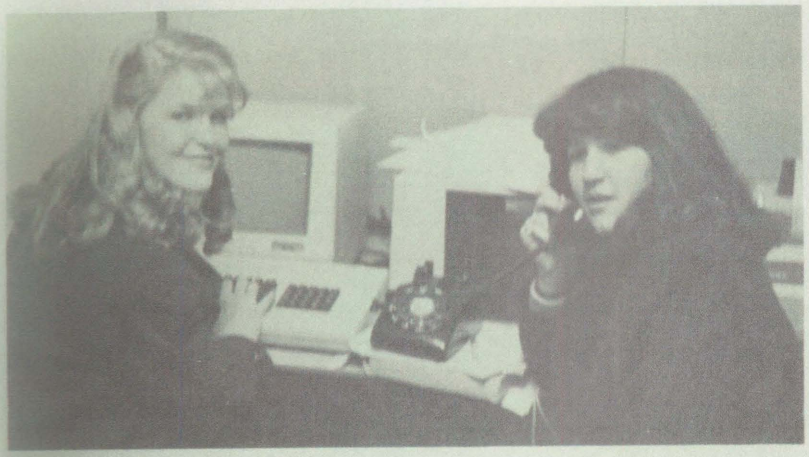
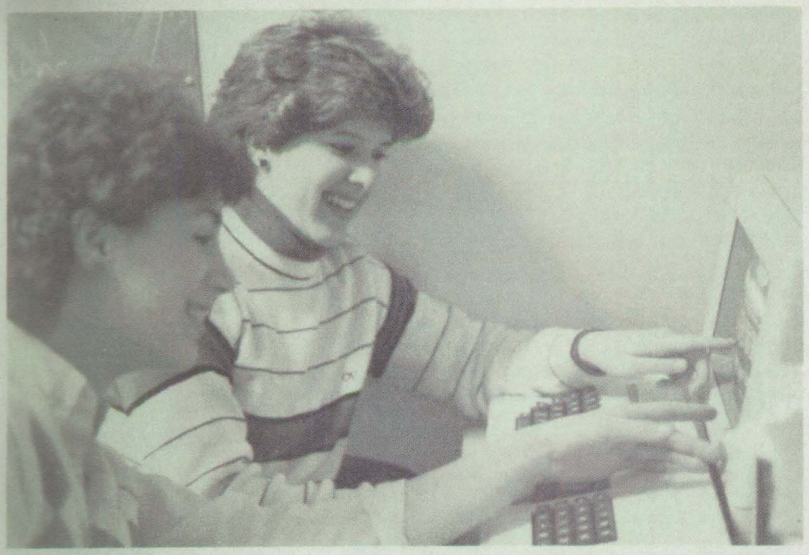
HEADLINES & DEADLINES





Each and every person goes through many impressions in one high school year.The yearbook staff's job is to capture and compile these impressions into one book.

The staff began the 1983-84 year by selling yearbooks at the always successful yearbook dance. Then soon after that the hard work began,going out talking to businessmen, and selling ads to provide for another top quality yearbook.

Hard work and dedication managed to keep the staff busy covering plays,sports events, daances and other social activities. Much time was spent getting spreads done to meet the ever present deadlines.

Last year the staff also had the pleasure of working with a computer once again. Most of the class learned how to type and send their own information on the computer. The yearbook was produced under the careful supervision of advisor Nancy Hainsey, Editor Georgiann Tarachas and Assistant Editor Dave Taylor. Business Manager was once again Michele Cinque and her Assistants wereBridget Markusic and Kelley Ureche.Photographers this year were Jason Turner, Ned Johnson, John Doyle, and Scott Leesch.

INTERNATIONAL IMPRESSIONS

Every year MacArthur receives students from foreign countries who are housed by area families. This year on our exchange program we have five: Michael Weigel and Manfred Isigkeit both from W. Germany; Carsten Nielsen from Denmark, Motoki Nakayama from Japan and Anna Marie Ordonez from the Philippines. These students come to MacArthur on two different programs, Youth For Understanding (YFU) or Rotary. Both Anna Marie, or Mia as she likes to be called, and Motoki are here with Rotary and the remaining are on the YFU program. The Rotary program is different in that during the stay here the student changes families three times, where as with the YFU program the student remains with one family throughout their visit. Mia enjoys the change in families she says because this way she is able to see different lifestyles instead of observing only one family.

All of the exchange students agreed that they enjoy both MacArthur and the U.S. Michael Weigel, who played soccer for MacArthur, and also skis, said, "I like the opportunity. I learned things that I wouldn't have been able to," and he encourages everyone to visit other countries. He says of MacArthur, "Sports are taken so seriously and there's a lot of competition," but he likes that we are able to choose our own clases. He says of Saginaw, "I thought it would be more busy. All of the stores are closed on holidays."

Mia Ordonez says she liked the snow which she had never seen before. She also says she has "acquired good friends" which she will miss when she leaves along with junk food and the cool weather. Mia agrees along with the rest that "MacArthur is a good school."

Manfred Isigkeit says, "I like being away from home and I enjoy it here." What does he enjoy? Watching the pom-pon girls and cheerleaders and he also enjoys computer class. However, Manfred also says that he misses his family and his school activities.

Carsten Nielsen, a DM soccer player says our language is what attracted him to the U.S. He likes our school and its activities and says the school and the people are basically the same as in Denmark. When he leaves, Carsten says he'll miss all the U.S. cars.

Motoki Nakayama says the thing he enjoys most at MacArthur was being on the Cross Country Team. he also enjoys eating tacos here and says American girls are cute. Motoki, like the others say "I'll miss my friends at MacArthur."

Views From The News

"The newspaper has changed tremendously," says newspaper advisor Linda Howdyshell of the change in DM's General News from previous years. Most of the changes are a result of financial problems for the class beginning with the termination of the S.O. which cost the newspaper class 1/3 of their budget. In addition to this, the annual magazine drive, which brings in money for the staff, was not as successful as the staff had hoped. Because of these money problems the newspaper had to begin printing the paper on a Xerox printing machine. This lower quality print was less appealing to advertisors who would now not buy ads from the paper thus further diminishing the budget of the staff. However, things did improve. The Athletic Association, which felt the newspaper built unity and school spirit, gave a donation to the news staff which was greatly appreciated, and it alowed the staff to increase production to twice a month.

Mrs. Howdyshell says this is the first time in fifteen years that the newspaper staff and journalism class were combined. She would like to see some class growth for next year. Also for next year she wants to begin using the yearbook computer for set columns. She also wants the S.O. brought back for a funding source, and she would like to see the newspaper go back up to every 2 weeks. She says a printing source other than the Xerox would be nice.

This year's newspaper staff consisted of News Editor: Kim Leesch; Editorial- Feature Editor: Jennifer Gitzen; Feature Editors: Monica Carrico and Robin Crigger; Sports Editor: Bob Schneider; Reporters: Lori Diehl, Wendy Lauckner, and Phil Savage; and Photographer Rodger Smigiel. These students enjoy the class and some are considering going into journalism in the future. "We always know what's going on in the school", says Monica Carrico. Another view from Sara Morley, "It's a challenge to have to meet deadlines."

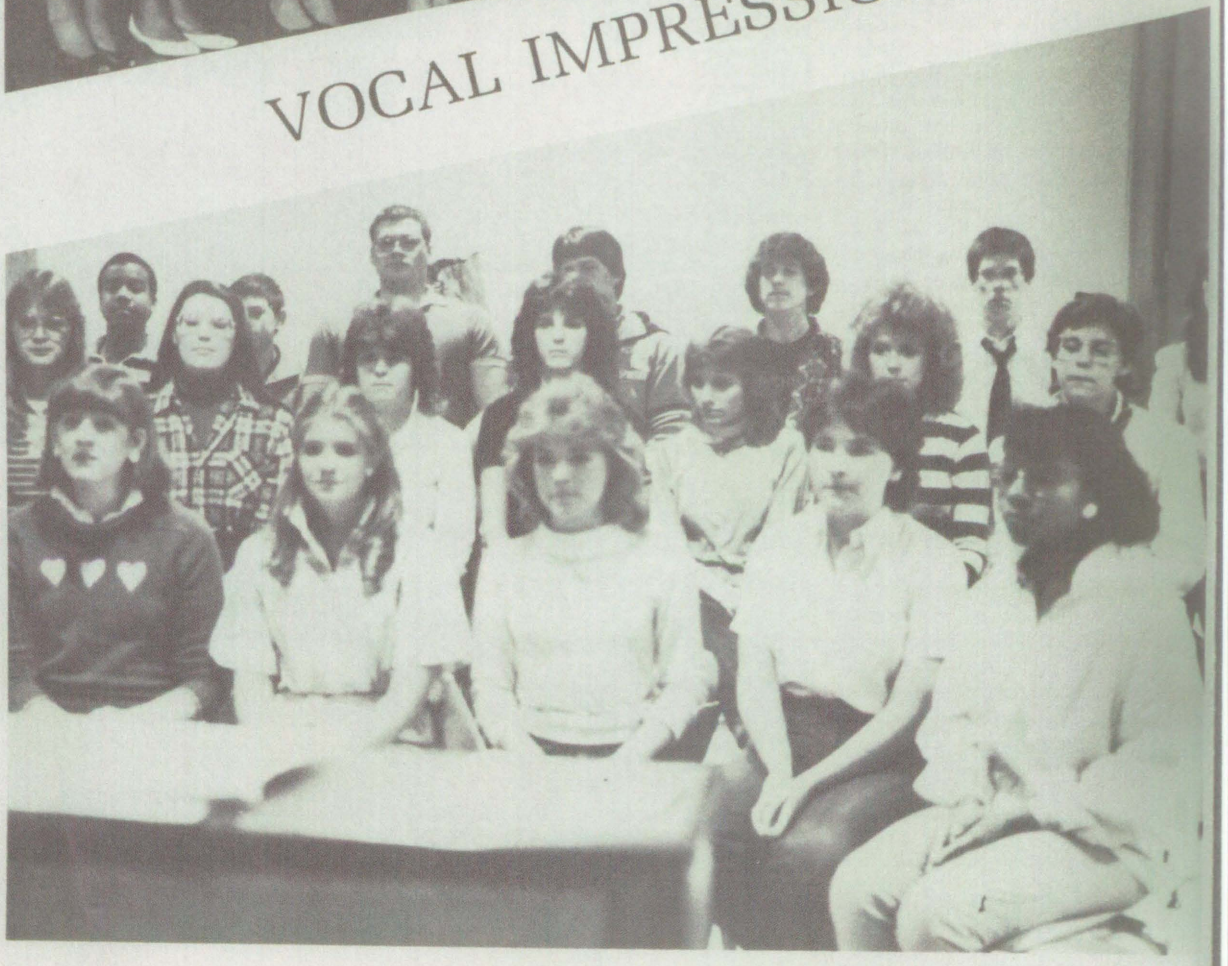
VOCAL IMPRESSIONS



Performance after performance kept the vocal music department more than busy last year. Triple Trio gave fifty-four performances, performing at nursing homes, service club banquets, churches, weddings, and schools. Triple Trio members were Mary Giltrop, Jackie Rowe, Michelle Houlihan, Laura Diffin (student leader), Sabrina Shaheen, Traci Mueller, Kelly Bortner, Holly Robertson, and Wendy McConnell.

The General Revue gave twenty-one performances. Performing at churches, service clubs, Baker Perkins, nursing homes, and schools. General Revue members were Scott Awad, Julie Boissonneauts, Bob Ericson, Janet Hensley, Aaron Kabobal, Janene Mocny, Cathy Pfund, Loren Randall, Julie Remmers, Tim Royle, Betty Ruple (student leader), Dave Taylor, and Sperry Zimmerman.

Concert performences included the Christmas concert, at Fashion Square Mall and the Spring concert. Mrs. Schopp said, "This year's choir is one of the best." She also said, "It is a shame that the Vocal Music Department will be without an advanced class next year when General Revue will not be continued. They were an asset to the school and school system and they will be missed."

The Marching Generals were lead through another active season under the direction of drum major Trudi White. The band of 40 members performed at all the Friday night football games, as well as the annual Saginaw Christmas parade. Towards the end of the marching season, the band, in preparation for concert band, performed the Christmas concert with the choir.

The concert band consisted of 40 members also. Its main activities included one spring concert in April. Band students also participated in the pep band which played for pep assemblies and basketball games. Other band students were part of the jazz band. Some students participated in the district soloensemble where they received ratings from a judge for their prepared performances. If these students received 1 ratings they went on to state competition.

Modern Music Masters is an honorary group of students from both the band and the choir. The group takes part in such activities as field trips to area concerts, and the annual Christmas play.

BETTER THAN BROADWAY

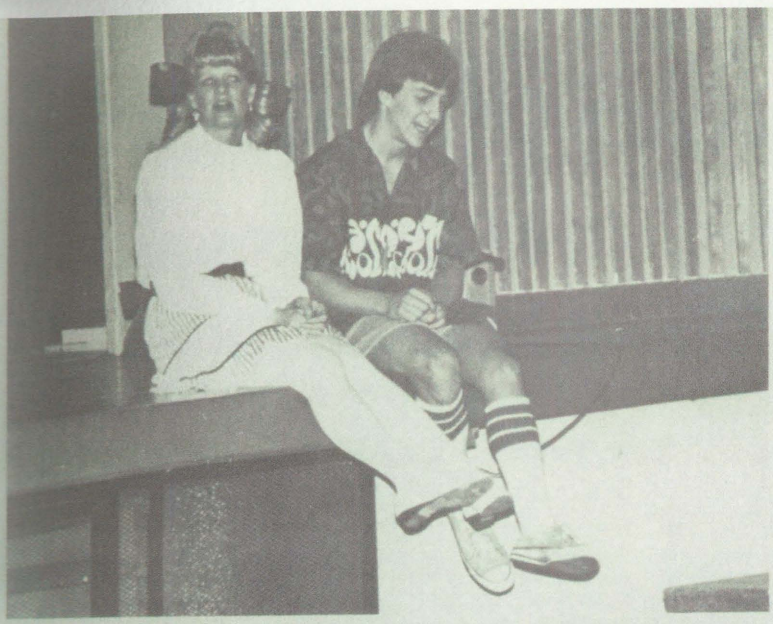
(Bottom Right) "Barefoot in the Park" stars preparing for opening night



Drama has had some problems in the past, but with Mr. Charles Laundra in charge, that is looking to change.

This year the Drama Club did a very commendable job in putting on two very fine shows. The first was "The Diary of Anne Frank."

"Hard work was the key to putting on this drama," commented Mr. Laundra. The other play was "Barefoot in the Park." Barefoot went over very well, which means a step in the right direction, toward strengthening the drama program back up. Every year we have The Competition Plays, and every year things are different. This year, the Junior class was credited with the best play for "Funny Business." It was directed by Beth Day, last year's best actress. Receiving awards were juniors John Mehl and Tim Royal, for best actor, and best supporting actor, respectively. Both actresses were from the Freshmen production, "The Rented Tux," directed by Meg Hemmer and Mary Siwik. They were Pam Murphy, best actress; Rhani Ghose, best supporting actress.

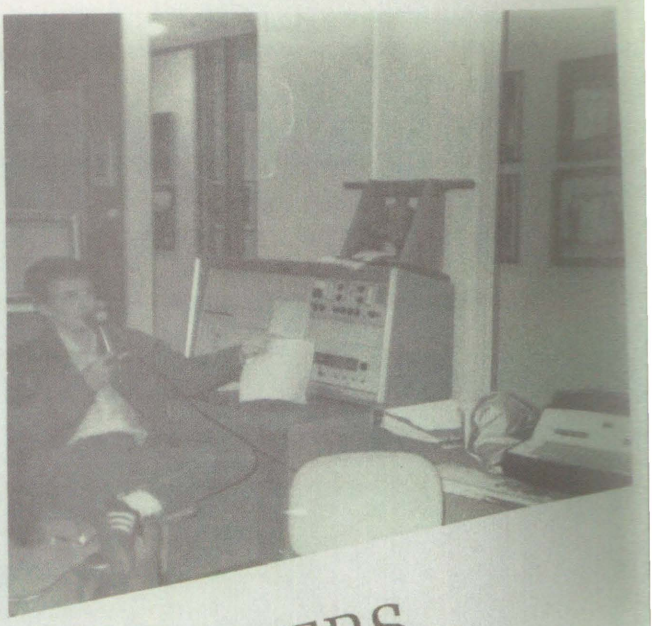
A new club joined the ranks of Douglas MacArthur's fine group of elective clubs. It was the D.M. Business Club, founded by the four business teachers: Mrs. Bottke, Mr. Bailey, Mr. Call, and Mr. Donahue. The Business Club got off to a fine start in its first year.

The club officers were elected in September. They were President Kym Carreon; Vice-President Carol Snoke; Secretary Gloria Therrian; Treasurer Theresa Zwingman and historians, Phil Vescio and Chris Andreas. The group put on two skill days, a day where business students took competitive tests in all areas of business. A softball game against the Spanish Club was also planned.

The Business Club also raised money to send students from Mr. Call's retailing and marketing classes to the regional and state Deca Meets (Distributive Education Clubs of America).

Deca is a national marketing club for high school students interested in the marketing aspect of business. MacArthur did extraordinarily well in the regional competition in Lapeer. These winners were able to advance to the state meet in Dearborn.

Amy Guimond, Anne Bieri, Eric Gonzales, qualified for nationals in Kansas City this summer. Mr. Call said that this year had the most state qualifiers from MacArthur.



IMPRESSIVE LEADERS

Some of the best general impressions are made by the Douglas MacArthur Student Congress! This group is made up of elected student representatives from each class. It is the primary student governing body of Douglas MacArthur High School. Its goals are to promote leadership, school spirit, and school pride. It provides beneficial activities for both the school and community. It secures good staff and student relations, which helps to promote educational opportunities, and primarily activities of special interest to the entire student body.

Some of the past year's activities included a food drive and a coat drive to assist needy people in Saginaw Township. The Student Congress is responsible for activities planned during Spirit Week, and Spring Fever Week. They are also responsible for running the school store. Proceeds from the store go towards school functions and charity.

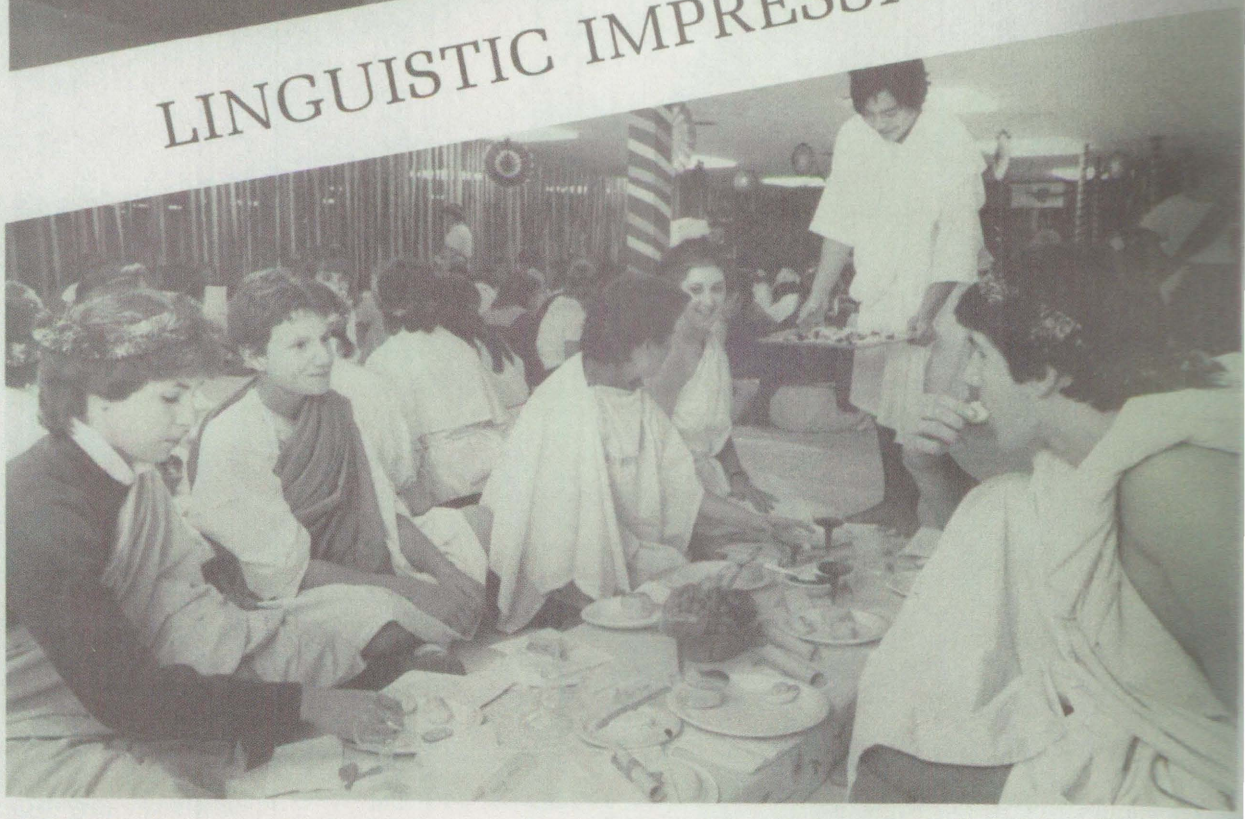
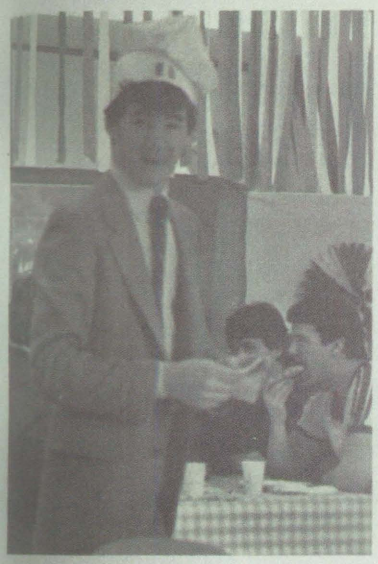
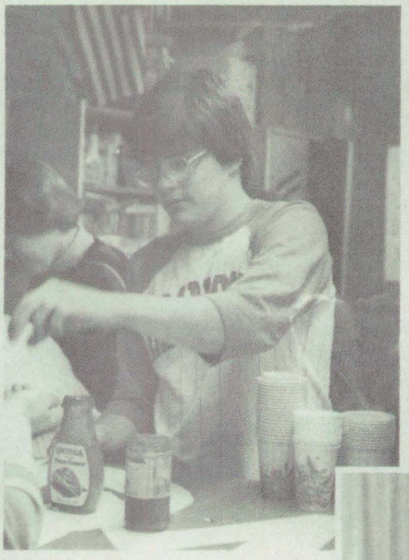
LINGUISTIC IMPRESSIONS







The 1983-84 school year at Douglas MacArthur brought much fun and enjoyment for students involved with a foreign language. The highlight of the year was the National Foreign Language Week, which took place March 5 through March 9. Each day of this week was filled with special activities such as labelling the school in four languages, tag day, performers, skits, and movies, "mini-units", and dress-up day. The week climaxed with food day, decidedly the most popular day of the week. International food delights such as tacos, crepes, kuchle, and pizza were sold by the language classes throughout the day. A special feature of this day was created by the Latins. Mr. Meyer's Latin room was exclusively decorated as an Italian restaurant, complete with Italian music and waiters to give the atmosphere of old Italy.

Each of the four individual language clubs participated in other activities organized by their officers. All of the languages participated in the annual International Dinner and the inter-clubal softball game. Overall, a good time was enjoyed by all involved with the foreign language department at Douglas MacArthur.

OURCHESTRA

So you haven't got a drum, just beat your belly.
So I haven't got a horn-I'll play my nose.
So we haven't any cymbals-
We'll just slap our hands together,
And though there may be orchestras
That sound a little better
With their fancy shiny instruments
That cost an awful lot-
Hey, we're making music twice as good
By playing what we've got!

Senior Class Council

The Senior Class Council was responsible for planning activities of the senior class. Its primary goal for this year was to raise money for the senior party. The council started off the year with M & M sales, and the popular DM painters' cap sale. Later it sponsored a dance.

With the help of Mrs. Zuziak, senior advisor. The council organized the senior class play as well as the annual Cedar Point trip. It also planned for plenty of pizza and pop plus music for the senior party at Ted's Banquet Hall.

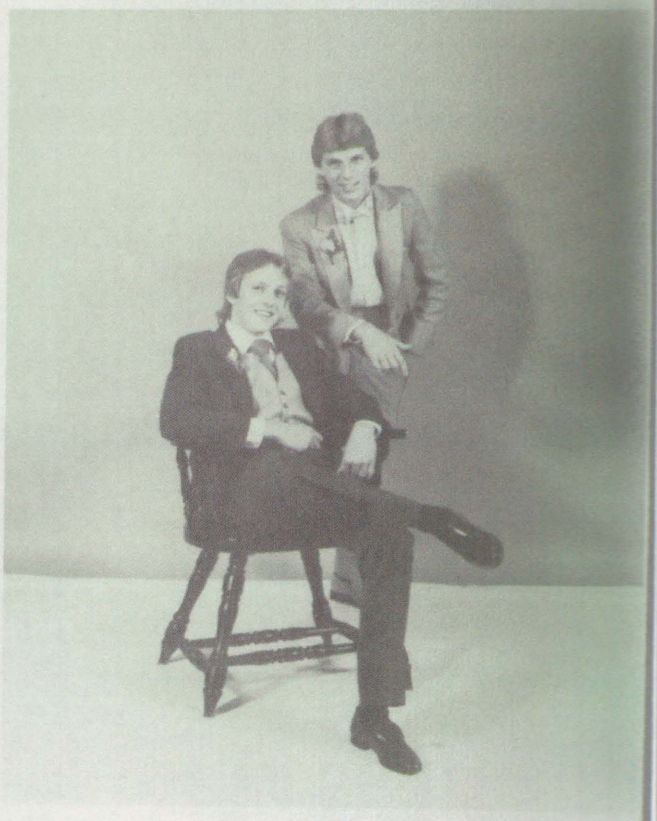
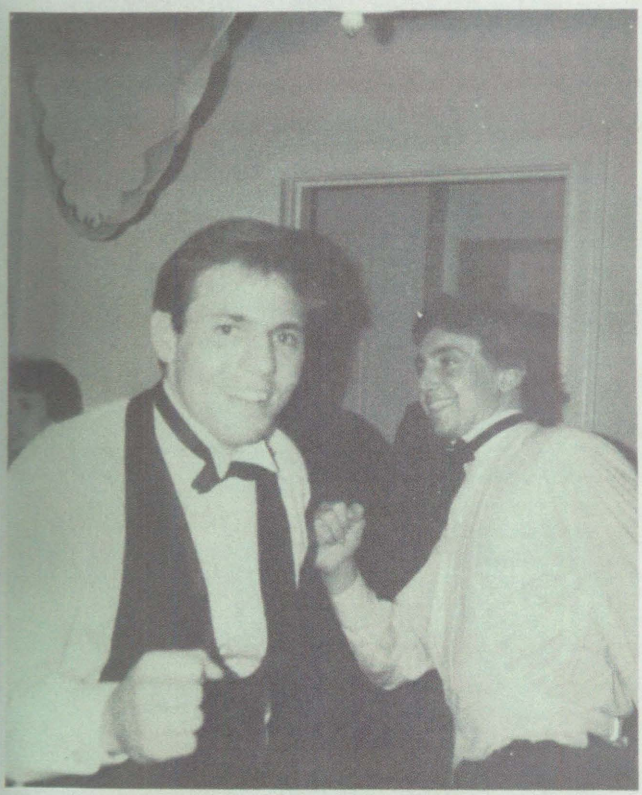
IMPRESSIONS OF SPRING

Impressions of Spring Impressions of Spring

"ALL NIGHT LONG"





Once again, along with the arrival of spring was the presentation of the annual Junior-Senior Prom. On May 3, 1984, many students engaged in the extravagant dancing activities held at the Delta College Commons Center.

Dressed in their fanciest clothes, consisting of high-class black, white and grey tuxedos for the boys and beautiful pastel gowns for the girls were many couples.

Attending elegant restaurants for extravagant dinners and exclusive pre-prom parties were the main activities before the dance.

Once at the prom dance, the couples had a chance to enjoy and dance to the live entertainment of the band Ceyx from 9:30-12:30. Black and silver were the main colors on the dance floor, as streamers, balloons and a sign of the theme "All Night long" encircled the dancers. In addition to this, every table was wrapped in beautiful pinhand red ribbons with a pretty flower arrangement.

Also, many couples captured their special evening in a picture, as Mr. Max Zittel's photography took each unique couple's photograph.

The evening of dancing festivities came to a close once more as the couples danced to the last tune of Ceyx, yet "ALL NIGHT LONG" had just begun for others!!

(Top) Posing pretty as a picture are these lovely women at a pre-prom party.
(Left bottom) Mystery couple.
(Right bottom) What a cute couple? (M. Holloway and P. Clark buddies).

(Left Top) Dave Klonosky embracing his sweetheart Felicia Jackson.
(Right bottom) Andy Damore and Joe Battaglia boogie down at a breakfast prom party.

OUTSTANDING IMPRESSIONS

The National Honor Society is an organization founded upon not only outstanding scholarship, but strong leadership, good character, and service as well. Douglas MacArthur has had many students each year who excel in these four areas in the local N.H.S. chapter. Whuile sophomores automatically become members by being in the top 10 of their class, Juniors and Seniors are eligible for membership by carrying a 3.2 accumulative grade point average or better. These students considered for membership are then voted on by the faculty. The new members are chosen every spring. By tradition they are kidnapped from their first hour classes for initiation. They are formally inducted at each grades honor banquets.

After initiations, students must continue to be active members of the group by participating in meetings, fund raising activities, and taking part in at least three service projects.

(Middle Left) National Merit Finalists Chuck Richardson and Steve Figg.

(Middle Right) Ernie Johnson 1st place winner in computer science at Delta College Skill Day and Mike Gomber 5th place winner overall in the same contest.

(Lower Left) These are the qualifiers for the 2nd part of the Michigan Math Test. Back row: Chris Buckley, Matt Broihier, Steve Figg. Middle row: William Cho, Amy Gulliver, Anita Kremin. Front row: Jon Foltz and Clint Wood.

William Cho and Matt Broihier were top 50 Michigan Math Finalists.

FORENSICS

ORATORICAL

Most of the members were dedicated and molded this team into a cohesive group," commented Grace Makrianis, caoch of this year's Forensics squad.

What is Forensics? It consists of individual or group public speaking performances that are organized as contests or tournaments. Activites included in it a radio speaking, dramatic interpretation and numerous interpretations to name a few.

Senior Amy Schwanbeck received second place trophies in tournaments and qualified for State Finals. Sophomore David Gardey took 2nd place in tournaments and qualified for State Finals also.

Freshmen Pam Murphy, a newcomer to the squad, competed in Informative Speaking and received first, second , and third place trophies in tournaments. She also placed in the final rounds at the Regionals.

In addition, Junior Paul Nielson took first and second place in Impromptu Speaking and qualified for State Finals.

The multiple reading group, "Twilight Zone," whose speakers were Ned Connolly, Cindi Zolinski, John Mehl, and Beth Murray took several first places in tournaments and qualified for State Finals.

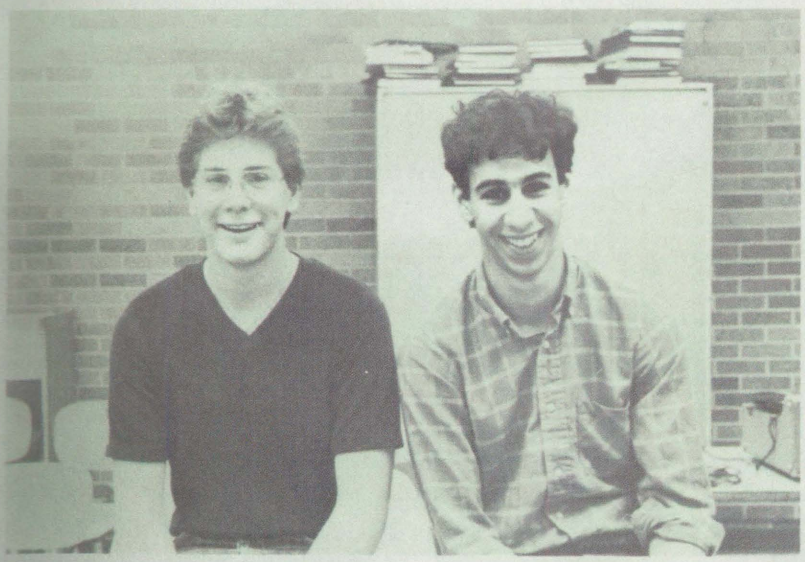
Debate



Douglas MacArthur's debate team had a very successful season this year.

The team had three divisions: Mini-Novice, Novice, and Junior Varsity. The team's topic focused on Nuclear Arms Sales.

Some notable individuals did exceptionally well. Juniors Paul Nielson and Mike Meyers won over 90% of their debates. Also, Junior Beth Day achieved an individual second place in all-around Mini-Novice Thumb B Debate League. The entire Mini-Novice team also took first place all around.

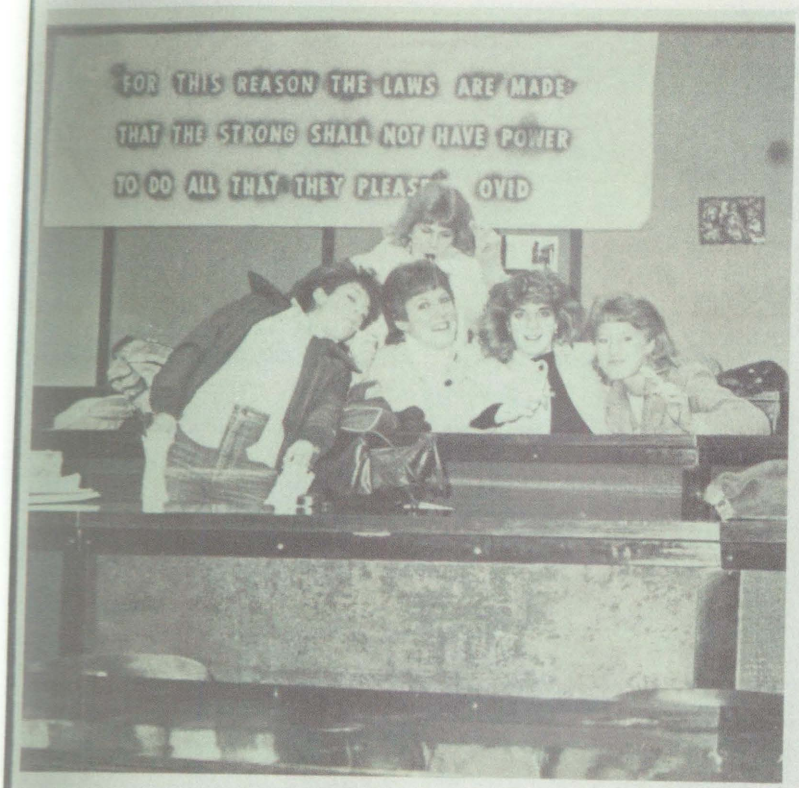
SOCIAL SCIENCES



Social Science classes include a wide variety of choices: American history, world cultures, consumer ed., economics, government, world history, You and the Law, psychology, advanced psychology, and problems in society. Most of the courses are involved with a number of major activities throughout the year, such as field trips to the Nuclear Power Plant in Midland or to the Grey Iron Foundry. The advanced pysch. class students work outside of school, at places such as the Millet Learning Center, Kempton Elementary School, and the Hoyt Nursing Home.

Outside speakers come in throughout the year to supplement class instruction. A sampling of these would be Ellis Ivy, former Plant Manager of G.M.; a Polish immigrant, Dr. Mendelius, Director of the Polish Institute at Saginaw Valley College, or speakers from the F.B.I.

A special time of the year is when students register to vote in the spring as 18 year olds, which is sponsered by the department.

The 1983-1984 shop classes are an instrumental part of the educational process of young minds of Douglas MacArthur. There are five different courses: Woodshop, which teaches students how to use machines such as the jigsaw and the band saw. Students in the class also use their layout skills to put projects together which have been presented by the course instructor, Mr. Bilby.

Students in the Electronics class learn basic electronic principles by means of constructing and analyzing circuits, using volt-meters, frequency units and generators. The electronics teacher is Mr. Lutzke.

Auto Shop teaches students how to fix cars. First of all they determine the problem with the car, then they enploy steps to fix it. This class is taught by Mr. Scherzer.

Metal Fab Shop develops basic skills which help students to find entry level jobs in the future. This class is taught by Mr. Tomsich.

Architectural drawing class teaches students how to design layouts of houses and other projects by using precision instruments. This class is taught by Mr. Tomsich.

As explained by Ron Stelter, athletic director, "The physical education program at MacArtur High School is set up to provide all students with some important concepts about the relationship betweeen total fitness and physical activity and acquaint them with a wide variety of basic techniques that can be used to attain adequate levels of physical fitness. Another important objective is to assist them in acquiring experiences and reasonable proficiency in some practical or individual activity, and then to make their own decisions about the physical activity in their lives." The following programs are offered in physical education: Freshman Physical Education, Team Physical Education, Life Physical Education, Conditioning.

According to physical education instructor, Pete Kaligian, "Experience has taught us that regular exercise, proper diet and adequate rest and relaxation are essential to good health."

"This program, Conditioning, has a dual purpose: first, to supply practical instruction for attaining a level of fitness that can be successfully applied to athletic competition, body building or that can be used as an aid in fitness for every day living."

"Secondly, our purpose has been to give a glimpse into the physiological and medical aspects of phsical conditioning."

"Douglas MacArthur's young men and women are taller, heavier and healthier than ever before. They can be the most energetic and productive citizens in Michigan."

"This is the challenge which the physical education curriculum will want to help meet."

WHO

Who can kick a football
From here to Afghanistan?
I can!
Who fought tigers in the street
While all the policemen ran and hid?
I did!
Who will fly and have X-ray eyes-
And be known as the man no bullet can kill?
I will!
Who can sit and tell lies all night?
I might.

(BACK) Trainer Crawford Kennedy, Jim Letson, Jon Foltz, Pat Fisher, Jeff Ward, Scott Miller, Dave Taylor, Matt Novak, Matt Majoros, Coach Jim Stone.

The Junior Varsity also posted a spotless record this season. At 12-0, they are the first J.V. team to go undefeated. Their success should be partially accredited to first year coach, Gary Laatsch, for guiding the young General booters to another outstanding season.

(FRONT) Tom Doyle, Chris Maday, Mark Simon, Gus McCoy, John McPhail.(MIDDLE) Mark Tietz, John Wood, Brian Winkowski, Andy Brown, Tim Propp, Gregg Watt.(BACK) Dave Maier, John Fitzpatrick, Rob Groll, Matt Doyle, Sean Fitzpatrick, Coach Gary Laatsch.

Congratulations are at hand for the 1983 soccer team. The varsity kickers compiled the first unblemished record in the history of the squad, coming out of the regular season 13-0.

The team was destined to place high in State competition, and place high they did with a No.4 final ranking. Their success should come as no surprise, though, as the Generals practiced together year round, taking to the Ottawa building and Delta College gyms in the winter months.

The Generals' season ended abruptly in the State quarterfinals with a 1-0 penalty shot loss to Okemos High School. "It was a very questionable call by the referee," commented Matt Majoros.

The Eisenhower contests proved to be a bit more fruitful, though, as MacArthur blanked the Ikes 2-0 and 4-0. "The games boosted our morale a lot and we loved the front page news publicity," admitted Matt Novak.

Receiving top honor this year was Bill Weadock, taking home the Players' Award. Bill was voted recipient by his teammates on the basis of attitude, ability, and overall leadership. Coach Stone also bestowed Coach's Awards upon Jim Letson for his defensive endeavors and Dave Taylor for his offensive efforts. Tom White, Bill Weadock, and Dave Taylor picked up first team, second team, and honorable mention, respectively in the All-State selections.

For the Varsity kick crew of 1983, may there be only happy trails (Bum-Ba-Dee-Dah).

New Coaches Kick

Two Winning Seasons

New head coach Bill Hartle did a fine job with his Girls Varsity Soccer team. "We did very well this year improving a great deal from when the season first started," commented coach Hartle. This year's team won 7 games out of 13. Most Improved Defensive Player was Anne Bieri, Most Improved Offensive Player was Karen Hain, while Most Valuable Defensive Player was Wendy Propp and the Most Valuable Offensive Player was Sara Morford. Coach Hartle is looking forward to next season only losing 4 seniors.

The J.V. Team was coached by first year coach Gary Laatsch. Gary was also the Boys J.V. coach. The Girls had a outstanding season ending up with a record of 6 wins, 0 losses, and 4 ties. Most Improved Defensive Player Award went to Stephanie Graft, while the Most Improved Offensive Player was Jenny Bartes. The team's Most Valuable Player was Maritza Arrant and Lisa Lichon had the best team spirit.

Another Successful Season Goes By

1st in Conference, 1st in Regional

Since 1968 Douglas MacArthur has won seventeen consecutive times in the White Pine Conference. They have also won six Regional Titles in the past eight years. The Boys Tennis Team had another successful season in spite of the hard competition. At the State meet in Kalamazoo the boys finished seventh. The high finishers were Kurt Hammerschmidt at number two singles, Tom Basil number three singles, and the number three doubles team with a duo of Tim Royle and Mike Basil.

The 1984 squad was captained by Pat Johnson and Tom Basil. Team awards: Most Valuable Player, Pat Johnson; Most Improved Player, Mike Connolly; Coaches Award, Tom Basil; and Tom Basil made the DMHS All-Star Team.

The team was under the able direction of coach Bob Quinn.

New DMHS Record

Set in White Pine

5 Make All-Conference

Dedication,Determination,and Desire are the top three priorities of Coach Quinn. This and the long, hard hours of practice paid off for the 1983 Girls Varsity Tennis Team.

Girls Tennis Teams at DMHS have set record after record over the years, but 1983 topped it all off:the netters were never scored against in White Pine dual meets during the entire season. At the White Pine Conference Meet MacArthur won every event-once again,their opponents were unable to score a single point. They also set a new consecutive wins record for White Pine,when the girls brought the record up to a remarkable 27 consecutive wins in one season.

The team ended up with an 8-0 record in the Conference and an 11-0 record for all dual meets. For the third year in a row the girls won the Regional Championship, by winning every seed but one- 4 singles. They also ended up with a 5th place finish in the State Meet which topped off another sensational season.

Two team members achieved election to the All-State Team: Amy Lichon and Shireen Akhtar. DMH dominated selections for the All-Conference Team with Amy Lichon, Shireen Akhtar, Pam Gomez, Beth Pruitt, and Kerry Muehlenbeck being chosen. Honorable mentions went to Ann McKinley and Karen Pfander. Team awards: Most Valuable, Amy Lichon; Most Improved, Kerry Muehlenbeck and Cathy Crimmins; Coach's Award, Pam Gomez. The All-Star Team was Amy Lichon, Pam Gomez, and Beth Pruitt.

The Douglas MacArthur Varsity Football Team had a better season than their record showed. Despite 6 losses, they beat some tough teams like Mt. Pleasant and Bridgeport.

Including the team's efforts were some indiivdual stand-outs: Senior Matt Call made All-White Pine Defense and All-Area Class B and Honorable Mention for The Detroit Free Press Class B State Team. Mike McTaggart, another senior, accumulated over 930 yards in total offense and made All-White Pine on offense and Class B All-Area. Junior George Bruske, defensive end, was chosen for defensive position on the All-White Pine Team.

Team trophies, chosen by the players were awarded to: Quarterback Mark Van Horn, Offensive Captain; Noseguard Scott Teal, Defensive Captain; Noseguard George Webber, Spirit Award; and Tackle Chris Buckley, Three Year Varsity Award.

Coach Mel Skillman summed up the season, "The 1983 version of the Big Mac Attack was not as successful in the won-lost columns as some teams of the past but considering our level of competition it was understandable. Four of our losses were to teams that were 7-2, one was to an 8-1 opponent, and the other to 6-3 Eisenhower, who defeated Tri Valley Champion Garber 17-0. Even though we were fairly small in size and number our desire was always at a high level. This team played to its potential. All Stater Matt Call was our team M.V.P. and leader. Matt, Mike McTaggart, George Bruske, and Chris Buckley were All Conference selections."

Overall Teamwork JV and Freshmen

Two Winning Seasons

This season's team is probably the best overall freshmen team I've ever coached!," stated coach Lou Gerard as he described the dedicated 1983 freshmen football team.

Jim Metevia , awarded Best Linemen, described the team as, "We had a good,positive attitude. Coach Gerard pushed us and made us want to do better."

Other awards went to Mark Shields (Captains Award), Terry Carpenter (Bruiser Award), and Dan Fisk (Most Valuable Player.)

"A Successful Season."

The Boys Varsity Basketball Team finished their season with a win-loss record of 7-13. "With the hustle, aggressiveness, and determination this team had, it was a successful season," commented Coach Bernie Call.

Perhaps the highlight of this years season was the second game against B.V. when our players were ahead throughout most of the game, and almost pulled off the win before falling short to a 57-52 score. B.V. went on to become State Runner-Up.

This year's M.I.P. went to Mike Flynn. The Coaches Award was given to Chris Buckley. The Quick Award was received by Joe Battaglia and Matt Call was honored with M.V.P.

This years JV Basketball team was a well oiled precision unit," as quoted by coach Mike Donahue. "They all made their contributions at different times during the season," he added.

The JV Basketball team had an oustanding record of 13 wins and 7 losses. Robert Groll led the team throughout the season, and because of his hard work he received the Most Valuable Player Award. The Most Improved Player Award went to Joe LaBreche while Tim Harris earned the 150% Award, and the Coaches Award was received by John MacPhail.

The Freshman "A" Basketball team who was coached by Mr. Tietz, completed their season with a 19-1 record, which is the best record in the school's history for a Freshman "A" team. Receiving awards were, Dan Fisk for Best Defensive Player, Dennis Schumacher for Leading Scorer, Chris Nichols for Most Improved Player, and Andy Mehl received the Coach's Trophy.

The Freshman "B" team coached by Mr. Benzenburg finished their season with 6 wins and 12 losses. The awards given were Best Offense going to Vinny Mosca, Eleary Rowe for Best Defense, Scott Baker received Most Improved Player Award, and the Coaches Award went to Tim Buckley.

The "Expert" Lady Tankers finished their Top Area season, with a sensational 11-2 record. Along with this, the speedy swimmers dominated the Midland Relays and the Tri-City Championships by claiming both lst place trophies. At the Swartz Creek Invitationals, a mainly class A swim meet, the talented tankers did an excellent job of finishing second in the meet. Finally, competing against the best swimmers in the state, DM managed to place 9th at the Class B State Swimming and Diving Championships.

"Outstanding Area Swim Coach", John Muzilin presented special awards to the Most Outstanding Swimmer, Allison Klump; Most Improved Swimmer, Robin Crigger, and Coaches' Award to Julie Toft.

Diving Coach, Ann Ashbaugh did a remarkable job of training State Divers this year. Coach Ashbaugh presented Margaret Cullings with the Most Outstanding Diver Award. Cullings also received the prestigious Raymond A. Hart Award, as given to the top area diver or swimmer of the year.

This year three talented divers and six speedy swimmers qualified for the Class B State Swim Meet in Grand Rapids. At the State finals, the Medly Relay of Robin Crigger, Sara Biron, Mindy Glatz, and Stephanie Graft placed ninth. Allison Klump finished 10th in both the 50 yard Freestyle and the 100 yard Breaststroke. Diver "Muggs" Cullings finished 9th overall, while teammates Michelle Dickleman and Sky Ross qualified for the semi-finals. Sue Bricker finished 9th in the 500 yard Freestyle. The best finish at State was the 400 yard Freestyle RelayTeam, of Mindy Glatz, Allison Klump, Sue Bricker, and Stephanie Graft, as they placed 6th.

Douglas MacArthur dominated the Top Area Swimmer & Diving Awards as Mindy Glatz, Stephanie Graft, Sue Bricker, and Allison Klump had the fastest time in the Area 400 Freestyle Relay. In addition to this Robin Crigger, Allison Klump, Stephanie Graft, and Mindy Glatz had the fastest area time in the 200.

DM lost seven outstanding seniors, four of whom were state qualifiers. They include: Mindy Glatz, Allison Klump, Robin Crigger, Sara Biron, Kim Leesch, Ruth Rosenbaum, and Captain, Sandy Dorward.

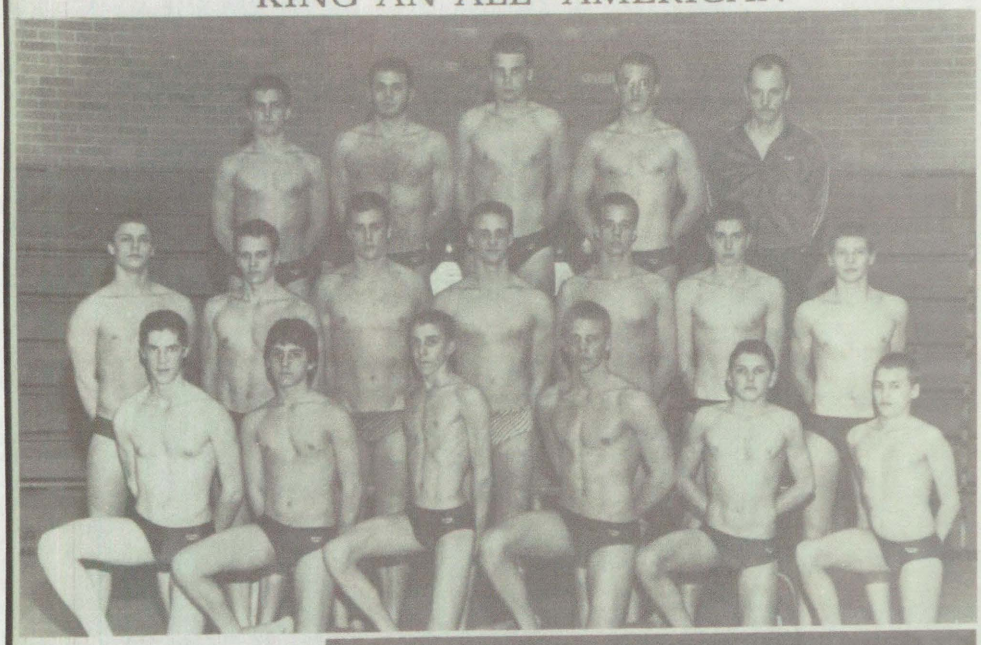
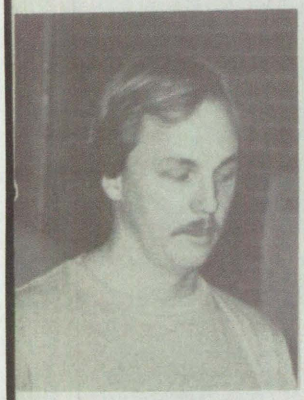
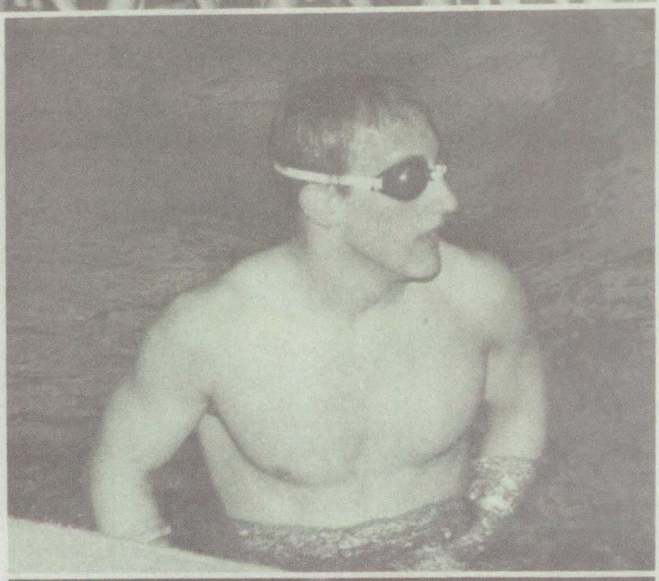
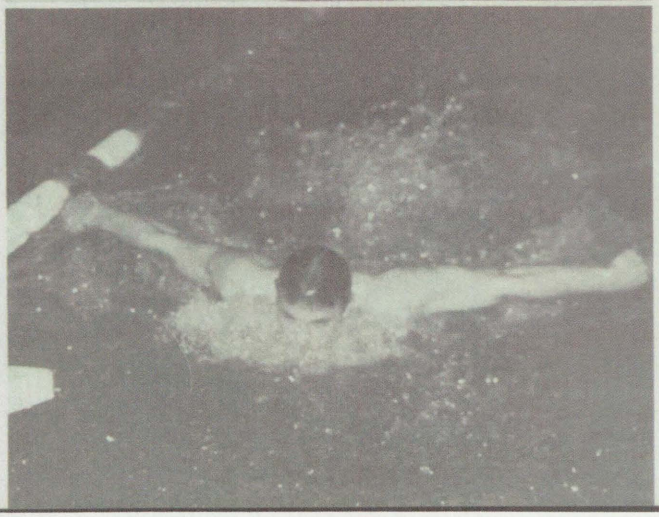
STATE CHAMPS LEAD DM

KING AN ALL- AMERICAN









Two State Champions, along with numerous Top Area Swimmers comprised the 1983-84 Douglas MacArthur Mens' Swim Team. Despite a 50% loss of state swimmers last year, they stroked their way to a very successful 10-2 season. "I feel super about this season," commented Coach Bob Oliver.

In addition to this outstanding achievement, the Generals impressively finished 5th overall in the Class B State Finals in Ypsilanti. DM strokers also finished 2nd in both the Arthur Hill relays and Midland Invitation and 3rd in the Tri-City Championships and Fenton Christmas relays.

Two talented and speedy swimmers, Wade King and Mat Curry finished the State Meet with championships. King took a first in the 100 yard butterfly (breaking last year's state record) and tied for 2nd in the 50 yard freestyle. King also qualified for All American Swimmer and received the prestigious Walter L. Leesch award for being the top swimmer in the area. Mat Curry took the gold in the 100 yard backstroke and finished 6th in the 100 yard freestyle. An outstanding performance by freshman Luke Lagorin earned him 5th place in the 100 yard breaststroke. The last State Finals achievement was accomplished by the 200 Medley Relay Team of Wade King, Mat Curry, Jon Foltz and Luke Lagorin as they finished runner-up.

Five special awards were presented as Chris Bahr received Most Improved Swimmer; Andy Damore, the Coaches Award; Kevin Maize, Most Valuable Diver and Wade King received Most Points Award and Most Valuable Swimmer.

This year's team captains included the support, dedication and encouragement of Andy Damore and Jon Foltz.

"We had the makings of 2 State Champions who are not seniors. It's nice to have State Champions that come back," smiled Coach Oliver.

GOLFERS CAPTURE

REGIONALS AGAIN!

MASSEY REGIONAL MEDALIST

Seniors Chris Massey, Scott Jacqmain, and Tom Haeger led the D.M. Golf Team to a very respectable season with an overall average of 81.4. The team startedout slowly with three losses but came along to win 7 straight matches.

Hard work paid off for the team with a 13 win 5 loss record. Varsity Coach Ron Stelter said that they should have done better in the Conference but winning the Regionals helped. The team was 1st in Regionals, 3rd in Conference and 16th in State.

Chris Massey had an outstanding season with the low team average of 79.9. Hewas also All Conference 1st team, and was the Regional Medalist with a score of 81. Scott Jacqmain was next with an average of 82, and third was Tom Haeger with an 82.2. These two were also All Conference 2nd team. The remaining top 5 consisted of: Freshman Tom Hooper with an 89.4 average and Junior Steve Sujkowski with a 91.9. Other members of the team were Erik Loberg, Paul Koepke, John Jacoby, and Sam Nacarato.

In the words of Junior Steve Stewart, "The successful season was due to lots of talent and players with depth." A successful season it was indeed. The talented DM Hockey Team won the League Championship again this year, making it the fourth year in a row the Generals have earned this title.

Next year the team will be losing three talented Seniors, Sam Shaheen, Dave Koepplinger and Greg Frank. However, the team and coaches alike are convinced it will be their best season yet and are especially intent on beating Sault Ste. Marie which has given them the most trouble in the past. Coach Dick Curry says, "We made a lot of strides toward next season" and he added that for the first time the DM Icemen will have a good chance of going on to win the District and State Championships next year. The players feel this goal can be accomplished. "Next year will be our best year because next year's Seniors will be at their peak," says Junior Mark Van Horn.

As for this year, the DM Skaters were looking good on the rink in more ways than one. The team purchased new snappy-looking cooperalls. These new pants pleased the Generals as well as their fans and they all feel it was a worthwhile and much needed investment.

Steve Stewart and Brian Schultz both received The Most Improved Player Award at this year's Hockey Awards Banquet. The Most Valuable Player Offense Award was given to Senior Greg Frank, while Paul Colligan received the MVP Award for Defense. The most Versatile Player Award was given to both John Jacoby and Mike Nicholson.

Varsity Baseball a Strong Finish

Jacqmain MVP

MacArthur's Varsity baseball team didn't exactly get off to the same start that the Tiger's did, but they finished strong, and that's what counts.

The Generals opened up the season with four straight losses but won five in a row before losing one game in a double header to Chesaning. However, that one loss didn't stop them! They went on to win another five in a row. After a fine 16 and 10 record.

The awards banquet was held June 6, and the following players received awards: M.V.P. Scott Jacqmain, M.I.P. Wayne Gallery, B.D.P. Mike McTaggart, B.O.P. Scott Jacqmain, and the Three Year Varsity awards went to McTaggart.

Coach Kaligian said, "They had a very good season but got off to a bad start, losing the first four. But they kids played hard and we came out strong in the end."

Wayne Gallery, John Jacoby, Scott Jacqmain, Mike McTaggert, and Bob Spence, were nominated for All White Pine Conference.

JV and Freshmen Have Promising Future

"100's At All Times"

Although the 1984 J.V. Baseball losses outnumbered their wins, first year Coach Lee Benzenberg views the guys as big winners when it comes to teamwork and effort. "The guys really worked hard. They hustled and gave everything they had. They gave 100% at all times." Benzenberg feels the team's number of losses might have discouraged the team but instead the Generals fought back harder to get a win. The Coach says, "Having to come back" from their number of losses was a big learning experience for the Generals."

The DM ballplayers ended the season with an 8-16 record. They earned third place in the White Pine Conference and second place in the Mt. Pleasant Tournaments in which they participated.

DM's two big JV hitters were Jason Butzin and Rob Landeryou who both ended the season with two homeruns each. Butzin finished the season with the team's highest RBI of 24 while Landeryou came in second with a 22. Ron Fries was the General's number one pitcher with a five win two loss season record.

Two team awards were given to the players at the season's end. The Most Valuable Player Award was given to Ron Fries while Jeff Snyder was the recipient of the Most Improved Player Award.

Freshmen Baseball Coach Bill Wilhelm has this to say about his winning team:

"This group of boys has outstanding potential. These boys are a very spirited group and winning is in their blood from a very successful year in Freshmen athletics at DM. I am very confident this group of boys will be an excellent team which the school will be very proud of in the next few years. With further honing of their baseball skills and knowledge, and by continuing in MacArthur's strong baseball program under the direction of Coach Kaligian, the future looks very bright for this team.

The highlight of the season would have to be a six game winning streak with three doubleheaders.

Steve Reyes was the ace of the pitching staff finishing with a 6-3 record and receiving the Most Valuable Player Award. Steve received both wins in a doubleheader against Pinconning.

Terry Carpenter received the Most Valuable Offensive Player Award as he led the team in every offensive category: hits, runs scored, runs batted in, and a batting average of .519.

Jeff Alfano was named the Most Valuable Defensive Player. Jeff provided very steady defense at third base and shortstop. He also provided exceptional team leadership and consistent hitting.

Dana Richards received the Most Improved Player Award. Dana provided strong pitching, winning 3 out of his last four starts finishing with a 3-2 record. Dana also came on strong in the hitting department raising his batting average from .150 to .421.

Team Improves Over '83 Season

Beck lst Team, White Pine

"Our record of 12-15 does not truly reflect the team's abilities. Basically we out-hit our opponents, but made mental and physical errors, which cost us some games," commented Coach Sue Skulley. "We improved over last year's record and with the bulk of our team returning next year, we should improve even more."

Senior Barb Beck took top team honors as MVP and Barb made lst team White Pine as a pitcher. Other White Piners were Martha Ryan, 2nd Team infield; Allison Klump, 2nd Team 1st base; and Karyn Weiland, 2nd Team catcher.

Other team awards went to Karyn Weiland, leading hitter; Martha Ryan, defensive award, and Kelly Preugschat, on base 100% award.

The 1983-84 season for the Varsity Volleyball Team will be remembered as a disappointing, but fun year. "The team had a lot of good players, but they didn't work up to their fullest potential, which was disappointing," commented Coach Nancy Burnham.

Although the girls agreed this year wasn't the greatest, they were still very proud of the special relationship that grew between them and their coach, Nancy Burnham. "This year was alot of fun and we believe Ms. Burnham's positive mental attitude changed the relationship between the coach and her players, which helped the season go really well. We feel Ms. Burnham did a supepr job in coaching and we'll never forget her," stated the team.

Special awards were given to Ann Bieri, Most Valuable Player; Allison Klump, Most Improved Player; Cindy Schaeff and Cathy Pfund, Sportsmanship; and Kelly Landeryou, Coach's Award.

The season ended with a 13-14 win-loss record with 3 ties.

Special awards on the J.V. Team went to: Most Valuable Player, Kelly Preugschat; Most Improved Player, Annie Yingling; Sportsmanship, Molly Buckley; Coach's Award, Jill Magnus. They were Coached by Elmer Shultz.

Inspires Generals

The 1983-84 Douglas MacArthur ski team saw much more white stuff, then lasts season, with the only weather cancelation being that or the league meet. This year the ski-meets were held at Bintz's Apple Mountain or Mt. Holly, where skiers competed for the best times in the Slalom and Giant Slalom. Top skiers for the 83-84 season were Matt Novak, Julie Mayer, Angie Carrico. At the Regional ski-meet in Cadillac MacArthur finished 13th and Matt Novak finished 6th. DM Coach Kris Agnew added that he was disappointed about five seniors leaving the team, but is looking forward to a new team next year.

Harriers On The Run

Kinsler Sets Record

This year held some firsts for the Girls Cross Country team. Sharon Kinsler was the White Pine Champion with a new conference and course record of 20:11. She had an amazing first year record of: third in the County; fourth in the Regionals; fourth in the State; and she set the school record time of 19:34.

Coach Call commented that this was the first time in many years that we had five girls run in every race and finish the season. Cross Country is a very grueling sport, and the girls deserve a lot of credit for their very good season.

Despite a losing season (scorewise), the 1983 Cross Country team was described by Coach McAuley as a young group who worked hard, cooperated with their coach and each other and continually strived to be better. He observed, "Since we had some young runners in our top seven, we were inconsistent in our performances, but always saw some improvement. In the last meet of the season, six of our top seven ran their best times of the season and the seventh was suffering from a cold."

Special team awards were given to Paul Strzynski, honorary captain; Paul Martino, most valuable; Duane Lewis and Scott Orr, most improved.

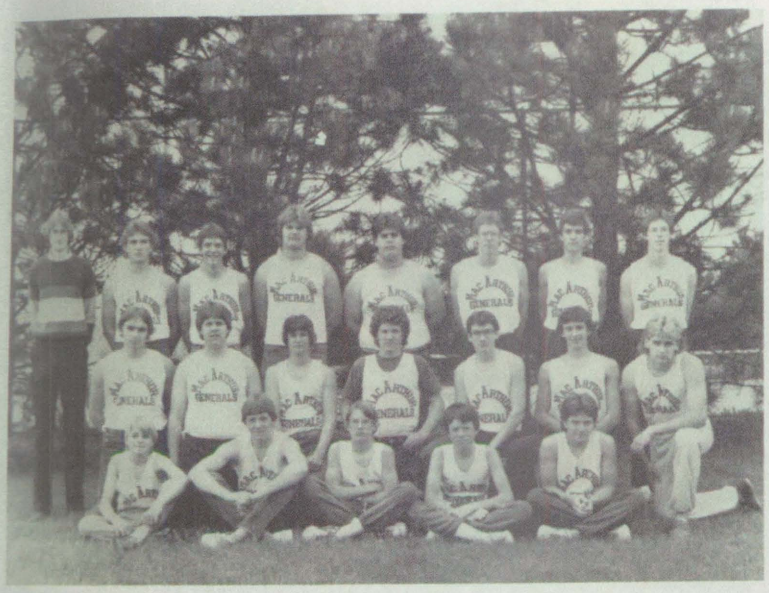
Rebuilding Season



Jack Kendall, New Coach

he DM track team had a disappointing season as they have had for the last two years. Rookie Coach Jack Kendall, a former SVSC track standout, stated that he hoped this year was just a rebuilding season.

Standouts on last year's team were "DOC" Martino in the long distance; John Long, hurdles; John Fry discuss and shot put; Rob Cullings, pole vault; and Paul Martuch, sprinter. Coach Randall looks confidently on to next year's team because returning are Paul Martuch, John Long, Mark VanBoxclaer, and Mike Andreotti. This year's team was starting to look the way the coach liked to see them.

Girls Track Team: Back Row; Tom Irskine, Patty Torres, Sara Sullen, Janet Hensley, Kathy Majoros, Sue Osborne, Jill Tietz, Lisa Sanchez, Kathy Frick, Carrie Buse, Karen Schrader, Missy Wagner, Sook Cho, Cindy Snow, Tim Brewer. Middle Row; Gladys Biver (coach), Jenny Boswell, Amy Gohm, Terri Schuch, Breige Mulhern, Chris Call, Tori VanHorn, Lisa Schuch, Kris Danke, D'aan Buggia, Monique Ebell. Front Row; Sharon Kinsler, Julie Singer, Karen Frick, Amy McQuillan, Anita Kremin, Stephanie Boswell, Heidi Wagner, Amy McIntyre, Mary Lou Wade, Kim Brewer.

The girls' track team began with an excellent start that continued through the year. Their season record was 8-1 as they were the winners of the Birch Run Relays. They also placed 2nd in the White Pine Conference and captured a 3rd in Regionals.

Led by captains Karen Frick and Heidi Wagner and co-captain Mary Lou Wade, several members of the team qualified for State. The 880 Relay team of Heidi Wagner, Kim Brewer, Amy McQuillan, and Briege Mulhurn made it to State. Other state qualifiers were Amy McQuillan for the 100 anad 300 hurdles and Sharon Kinsler for the 1 and 2 mile. McQuillan was able to capture a 3rd in State in the 100 hurdles.

Special awards included Amy McQuillan receiving Most Valuable Player, and the Top 5 Club awards going to Heidi Wagner, Sharon Kinsler, Anita Kremin, Jenny Boswell, and Amy McQuillan.

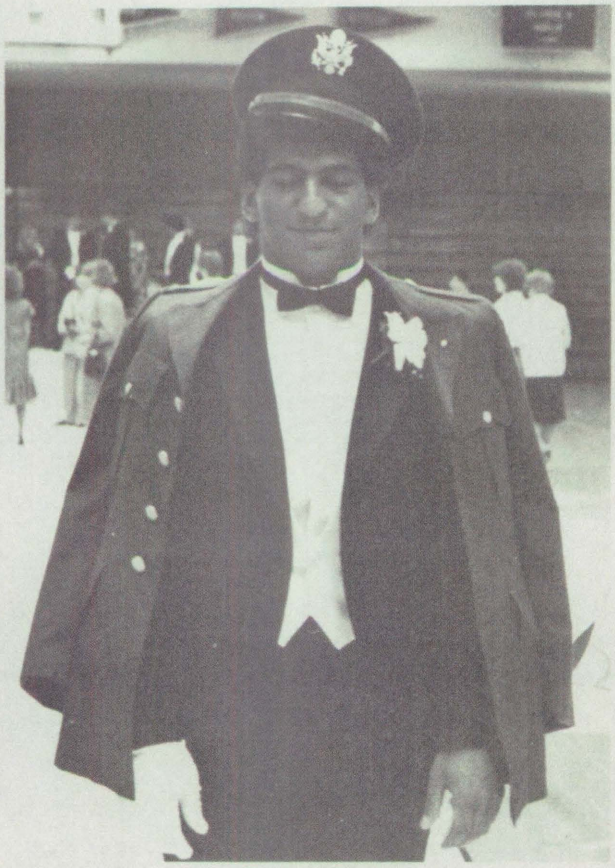
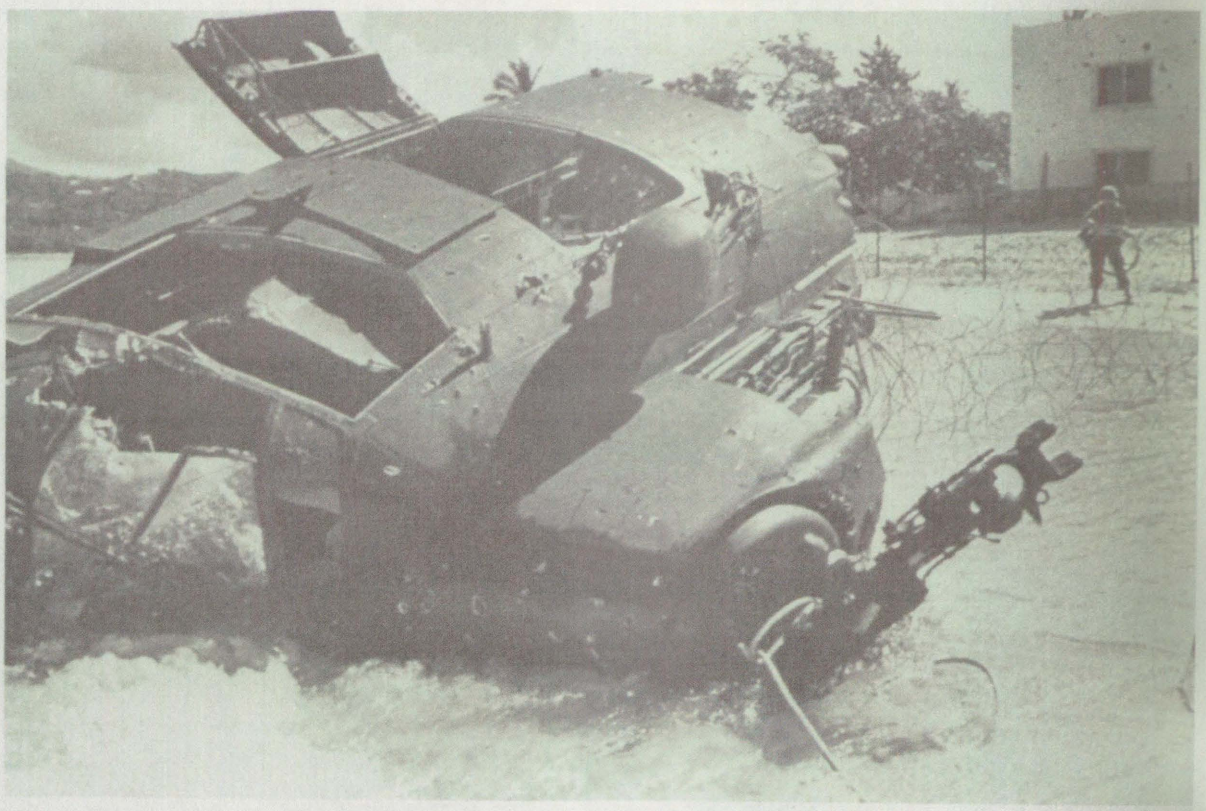
Valuable IMPRESSIONS

IMPRESSIONS OF THE 1984 GENERAL OF THE YEAR.



"It truly is an honor to have been so well treated by my peers and teachers at Douglas MacArthur. The education received by us was the result of hard work and caring from an intelligent and laborious faculty. My years, here, have been well spent, and it has been a pleasure knowing each of you."

INTERNATIONAL IMPRESSIONS



(Above) 11/ll/83-ST. GEORGE'S GRENADA: A U.S. Army Chinook Ch-47 helecopter, riddled with bullet holes, remains on Grand Anse Beach as members of the U.S. Army Engineer Corps secure the beach with barbed wire. The chopper crashed Oct. 25 during the rescue of American medical students from the dormitory of St. George's medical school (backround) which is now a command post.

6/22/83-SPACE CENTER HOUSTON: The Space Shuttle Challenger orbits above the blue backround of Earth as seen from a TV camera mounted on the SPAS satellite. The spacecraft and clouds are white. The curve of the Earth's horizon is seen against the black of space.

A Day Spent in 'Public Office' by High School Students

Saginaw Township played host to 29 high school students representing Douglas MacArthur, Eisenhower, and Valley Lutheran, for Student Government Day.

The Students from Douglas MacArthur were introduced to the township's general law form of government before being divided into groups with represenatives.

After three hours at the Township Hall, officials and students were treated to lunch at Sullivan's North Restaurant.

THE CHEMICAL PEOPLE

Substance abuse is a serious problem that affects many of today's youths. "The Chemical People", a two-part program focusing on this special problem, attracted a lot of attention in the Saginaw community. The prograam, hosted by First Lady Nancy Reagan, was aired on Delta College's WUCM-TV channel 19 on November 2 and 9 of 1983. Local panels and town meetings accompanied the presentation of "The Chemical People". Present at these meetings were representatives of many different groups, including citizens, civic groups, schools, students and parents.

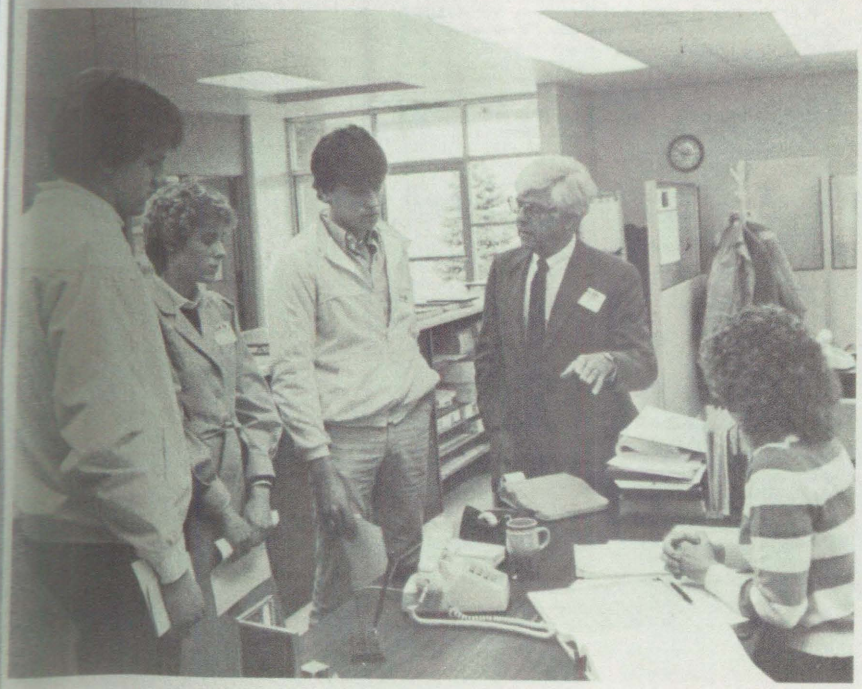
In Saginaw Township, a town meeting was set up a Eisenhower High School. Two police officers, Lawrence Brenner and Robert Sherman, took part in call-in question and answer sessions that followed the television broadcast. Resulting from the broadcast of "The Chemical People" came many efforts to begin programs to stop substance abuse.

Air Force ROTC Shot Down

Junior Reserve Officer's Training Corps as an elective class in high school was one of the main local issues of 1984. Opposing sides made their views clear in heated debates. The views of the opposition to the R.O.T.C. were expressed by Florence Connolly. She was against an increasing attitude of militarism and feared high school students were too young to be exposed to military-type training. She was also believed that more attention should be put on assuring quality education.

Students who became involved in the debate from Douglas MacArthur, particularly Andree Borrello, agreed with Mrs. Connolly saying, "The money should be spent for the basics instead of starting over with something new." Douglas MacArthur teacher Doug Doane stated his opposition saying, "It's going to cost the jobs of my collegues." The views of those in favor of Jr. ROTC supported the concepts of self-discipline, citizenship, student behavior and leadership skills.

Finally, after long decisions, the Saginaw Township Jr. ROTC was turned down by a vote of: four positive, one negative, one absentation, one absent. As a result, the Saginaw Township Board of Education opted to withdraw any and all applications for Junior ROTC.



DM Student, Wendy McConnel, visits the Township Hall on Government Day.

IMPRESSIONS

Sarah,
Well, we've gone through a lot together and had a lot of fun! I'm glad we're friends again. Have a good year. Good Luck!
Love Ya,
Laura

Sarah, big junior year. I feel it. Time in computers should be a great year. I am all the fun we will be doing. I have had a lot of fun because of you. I hope you have a great year. Keep in touch. Maybe we can get together sometime. Have a great summer. Think "backyard" next year. Maybe Amy has a party. Terrific! Don't will it. And a backyard anytime. Door in and backyard for you around our backyard. Maybe out in senior year. Margaux great luck. Jill
Good luck.

Sara, one of
you are one of
the sweetest persons I
have ever met. don't every
change yourself. Have a great
exciting year.
Noelle

P.S. Its hard
to think of exciting things to say
in a boring class (like this (History).

SARA:

To a super nice
person!!. To bad
your not on
Cheerleading this
year, because it's
a lot of fun.
But I known
Pom Pon is a lot
of fun to.
Good Luck!!.

Love
Terri Perry

P.S.
CALL once
and maybe
we can do
something
together!!
{sounds
Great!}

Wendy

Guess what,
I have a
Mine. I don't have
Choose it out of Try
Even though you. We have in three
Some have to Either
Of Wish I don't do. It's your
Physics. I'm sure we'll have a good year-time
